## LIFE IN LITTLE ITALY

Little Italy is one of the most happening neighbourhoods in this city. With its top-notch restaurants, bakeries, cafés, flower shops, boutiques, and record shops, it is no wonder why! With so much to do, at every turn, it is also one of the more chilled back areas to be. Tucked away just minutes from the hustle and bustle of the city, Little Italy is home to some of the best patios in Toronto. Quiet tree-lined residential side streets hug visitors with beautiful character homes and welcoming faces. The residential makeup of the area varies between lifelong residents and young professionals, old-school and new-school. People who have lived in Little Italy a long time seldom want to leave due to the convenience, community, and relaxed vibe!
